brother dress field forest grandmother grass  
headache juice oranges parents picnic quiet

I'm having a picnic with my family. My parents are here, and my brother. I'm wearing a beautiful red dress.

My grandmother wanted to come with us but she is not well today. She has got a bad headache.

We've got lots of food, like apples and oranges so we aren't hungry. We've got drinks, too – lemonade and orange juice so we aren't thirsty.

We are in a beautiful forest next to a river. It's very quiet here. We can only hear some birds in the trees. We're sitting on a mat on the grass. We can see cows in a field.

2. Read and check.

1. Read. Write a word from the box in each space.

birds ~~cold~~ eggs feet fish fly ice  
longer plants tails well year yellow

## Penguins

Penguins live on the ice in very cold places. They have black backs and heads and white fronts. Their mouths are yellow and their necks are yellow, too. They have short tails. They have two wings, like birds, but they can't fly.

Penguins can swim very well. They go under the water and eat small fish. They don't eat plants because there aren't any plants in the places where they live.

Penguins come from eggs. Mother penguins make one or two eggs each year. Father penguins put the eggs on their feet to stop them getting cold on the ice.

Some penguins live for about six years. Some penguins live longer.
